WIZZARD FOR

Offices, Commercial Complexes, Industrial areas, Hotels, Educational Institutions, Hospitals, Clinics, Departmental stores, Showrooms and just about anywhere you need a clean & spotless surface!

No tools required to change the brushes

Escalator cleaning made easy

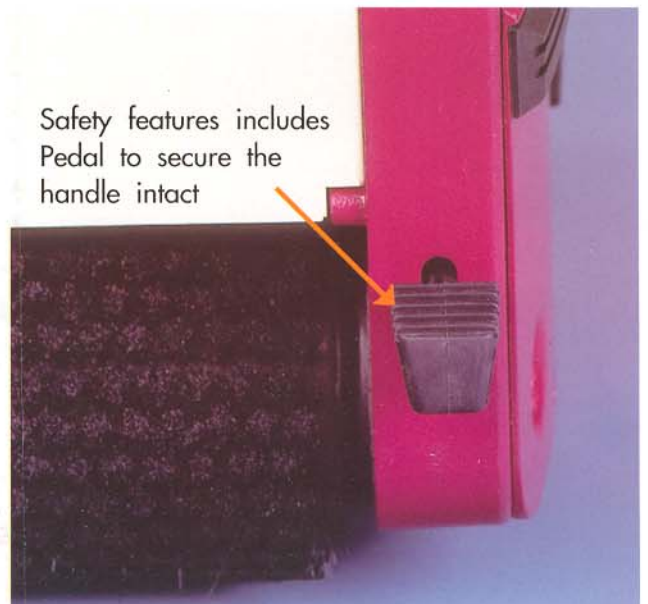

An unique, versatile high quality mini floor washing machine, designed to clean different types of floors. The compact and hi-tech design enables the machine to be operated under shelves, cots/tables and chairs where other machines normally cannot reach. The rugged design of the machine ensures trouble free and continuous operation. Different types of brushes are available to suit any type of floor including escalators. 4 stage brush pressure adjustment device is provided to compensate for the wear of the brushes which ensures optimum use of the brushes.

Ideal for small & medium size Super-markets

Safety features includes Pedal to secure the handle intact
